Reminders

1. Please continue to be reverent when serving, both in your actions and in the way you dress.
2. Training dates for new altar servers are scheduled for September 23 and October 7, 2017. These sessions are for new servers, but any server is welcome to attend to review the correct procedures for serving.
3. Most teams only have three members. So it is very important to get a substitute if you cannot serve when you are assigned.
4. If you have concerns or requests for scheduling, please contact Mike Staub by phone (637-0371) or email at staubmm@comcast.net.
